

Welcome to North Columbia YBL Hoops!

Welcome to North Columbia Youth Basketball League (NCYBL). We want this to be a great experience for your child (or children) and you!

Our mission statement is **to teach NCYBL boys and girls' basketball and cheerleading in a fun and competitive atmosphere that encourages skill development, camaraderie and good sportsmanship.**

Below is a glimpse of what is expected of your youth athlete and what you can expect of the coaches.

Our Goals for the Youth:

1. Seed the passion for basketball in all of our players and uplift the spirit of cheering with our cheerleaders. Hopefully, this will be the start of a lifetime of playing the game of basketball and motivation.
2. Compete, learn something about themselves and grow as both athletes and people.
3. Learn basketball and cheering skills and fundamentals.
4. Have fun!

Expectations we have of the Coaches:

1. 100% commitment and respect for your kids as individuals and for the team.
2. Positive attitudes and constant encouragement.
3. An appropriate level of challenging the kids to work hard, which will result in positive results on the court. There is a delicate balance between pushing too hard and not pushing hard enough at the young ages. If you think we're pushing too much, or not enough, just let us know.
4. Structured practices with an appropriate mix of repetition to breed basketball and cheering instinct with new drills/routines to avoid boredom and learn new aspects of the game.

Expectations we have of the Youth:

1. Great attitudes! This is CRITICAL in because it is a game of surges and momentum. If we get discouraged every time a team scores several points in a row on us, we will be defeated. We want the kids to stay calm, dig in and work through it. Similarly, when we make a run on other teams, we want the kids not to be complacent but continue to work hard. If one kid gets down, it can quickly bring everyone down.
2. Work as a TEAM: Basketball is fun when you work as a team. That means EVERYONE plays unselfishly, plays tough defense, hustles, and dives and gets rebounds, hustles back on defense, etc.....
3. Attend practices and be on time for games (30 minutes before a game for warm-ups).
4. Listen and Learn: We hope and expect all kids that want to play, hustle and have fun. Everyone needs to understand their part and execute. They are accountable to each other and to the coaches. In order to succeed, EVERYONE must listen, learn and execute.
5. Show great sportsmanship...Win or Lose!

WHO WE ARE

About Us

North Columbia Youth Basketball League (NCYBL) is a volunteer organization whose mission is to contribute to increasing the passion for basketball in the community.
